

Ingredion 2017 GRI Content Index

Organizational Profile

NUMBER	DESCRIPTION	CROSS-REFERENCE/RESPONSE	SDG LINK	ADDITIONAL COMMENTS
102-1	Name of the organization	Ingredion Incorporated		
102-2	Activities, brands, products, and services	2017 Sustainability Update (pp. 2-3)		Additional information on our products can be found at www.ingredion.com
102-3	Location of the headquarters	Chicago, Illinois (USA)		
102-4	Location of operations	2017 Sustainability Update (p. 3)		Additional information on our locations can be found at www.ingredion.com
102-5	Ownership and legal form	2017 Annual Report		
102-6	Markets served	2017 Sustainability Update (p. 2)		
102-7	Scale of the organization	2017 Sustainability Update (p. 2-3)		
102-8	Workforce information	2017 Sustainability Update (p. 2)		
102-9	Supply chain	2017 Sustainability Update (p. 2)		
102-10	Significant changes to the organization and its supply chain	There were no significant changes to the Ingredion business or its supply chain in 2017.		
102-11	Precautionary Principle or approach	Ingredion has various risk management processes that are utilized to evaluate our operations, as well as proposed changes to our operations. Changes may include items such as business acquisitions, equipment upgrades/additions, or new products and/or raw materials.		
102-12	External initiatives	2017 Sustainability Update (p. 6, 8, 12-17, 21, 22)		Ingredion is involved in many external initiatives related to sustainability, some of which are highlighted in our report.

NUMBER	DESCRIPTION	CROSS-REFERENCE/RESPONSE	SDG LINK	ADDITIONAL COMMENTS
102-13	Membership of associations	2017 Sustainability Update (pp. 8, 12, 17, 21, 22)		Ingredion is a member of multiple organizations with a sustainability focus, including the SAI Platform, Field to Market, The Campbell Institute, and others.

Strategy

NUMBER	DESCRIPTION	CROSS-REFERENCE / RESPONSE	SDG LINK	ADDITIONAL COMMENTS
102-14	Statement from senior decision-maker	2017 Sustainability Update (p. 4)		
102-15	Key impacts, risks, and opportunities	2017 CDP Water questionnaire 2017 CDP Climate Change questionnaire	13	

Ethics and Integrity

NUMBER	DESCRIPTION	CROSS-REFERENCE/RESPONSE	SDG LINK	ADDITIONAL COMMENTS
102-16	Values, principles, standards, and norms of behavior	Policies on Business Conduct; Our Values (Ingredion website)	16	
102-17	Mechanisms for advice and concerns about ethics	Ingredion utilizes a number of mechanisms for ethics, including items such as open-door policies and an anonymous reporting line.		

Governance

NUMBER	DESCRIPTION	CROSS-REFERENCE/RESPONSE	SDG LINK	ADDITIONAL COMMENTS
102-18	Governance structure	Ingredion Incorporated Corporate Governance Principles		The Principles can be accessed at www.ingredionincorporated.com/investors/Governance.html

NUMBER	DESCRIPTION	CROSS-REFERENCE/RESPONSE	SDG LINK	ADDITIONAL COMMENTS
102-20	Executive-level responsibility for economic, environmental, and social topics	2017 Sustainability Update (p. 8)		Ingredion's Governance and Nominating Committee of the Board of Directors has oversight responsibility for sustainability
102-21	Consulting stakeholders on economic, environmental, and social topics	2017 Sustainability Update (p. 7)	17	Ingredion engages with customers, investors, NGOs, trade associations, and other stakeholders to obtain input on a variety of topics
102-22	Composition of the highest governance body and its committees	2017 Annual Report; Board of Directors (Ingredion website)	5	
102-23	Chair of the highest governance body	2017 Annual Report; Board of Directors (Ingredion website)		
102-24	Nominating and selecting the highest governance body	Ingredion Incorporated Governing and Nominating Committee Charter; Ingredion Incorporated Corporate Governance Principles		The Charter and Principles can be accessed at www.ingredionincorporated.com/investors/Governance.html
102-25	Conflicts of interest	Ingredion Policies on Business Conduct		The Policies can be accessed at www.ingredionincorporated.com/investors/Governance.html
102-26	Role of highest governance body in setting purpose, values, and strategy	Ingredion Incorporated Corporate Governance Principles	16	The Board regularly reviews the strategy and objectives of the company and our sustainability efforts. The Principles can be accessed at www.ingredionincorporated.com/investors/Governance.html
102-27	Collective knowledge of highest governance body	Ingredion Incorporated Governing and Nominating Committee Charter		The Governance and Nominating Committee Charter covers sustainability responsibility, as well as stipulations for seeking Resources and Consultants where appropriate. The Charter can be accessed at www.ingredionincorporated.com/investors/Governance.html
102-28	Evaluating the highest governance body's performance	Ingredion Incorporated Corporate Governance Principles; Ingredion Incorporated Governing and Nominating Committee Charter		The Principles and Charter can be accessed at www.ingredionincorporated.com/investors/Governance.html

NUMBER	DESCRIPTION	CROSS-REFERENCE/RESPONSE	SDG LINK	ADDITIONAL COMMENTS
102-29	Identifying and managing economic, environmental, and social impacts	2017 Sustainability Update (p. 8)		Aside from the general governing responsibility of the Board of Directors, the Governance and Nominating Committee of the Board has direct oversight for sustainability.
102-30	Effectiveness of risk management processes	Ingredion Incorporated Corporate Governance Principles; Ingredion Incorporated Governing and Nominating Committee Charter		The Principles and Charter can be accessed at www.ingredionincorporated.com/investors/Governance.html
102-31	Review of economic, environmental, and social topics	2017 Annual Report; 2017 Sustainability Update		Ingredion's Annual report is the primary mechanism for updates on economic performance, while our sustainability report covers environmental and social topics.
102-32	Highest governance body's role in sustainability reporting	2017 Sustainability Update (p. 8)		Ingredion's global Sustainability Council operates under the guidance of the Governance and Nominating Committee of the Board of Directors.
102-33	Communicating critical concerns	Concerns can be communicated by any employee (1) to the executive leadership team directly or through managers, (2) to the corporate Business Integrity Committee directly or through anonymous reporting hotline, or (3) to the Corporate Compliance Officer who communicates independently with the Board of Directors.		
102-35	Remuneration policies	2017 Annual Report; Governance (Ingredion website)		
102-36	Process for determining remuneration	Ingredion Incorporated Compensation Committee Charter		The Charter can be accessed at www.ingredionincorporated.com/investors/Governance.html
102-37	Stakeholder's involvement in remuneration	Ingredion Incorporated Compensation Committee Charter		The Charter can be accessed at www.ingredionincorporated.com/investors/Governance.html
102-38	Annual total compensation ratio	2018 Proxy Statement (p. 59)		

Stakeholder Engagement

NUMBER	DESCRIPTION	CROSS-REFERENCE/RESPONSE	SDG LINK	ADDITIONAL COMMENTS
102-40	List of stakeholder groups	2017 Ingredion Sustainability Update (p. 7)		Ingredion engages with customers, investors, NGOs, trade associations, and other groups to solicit input and feedback on our sustainability efforts. Some of these stakeholder groups and their engagements are referenced in our sustainability report. Others are not referenced explicitly due to constraints on space in the sustainability report or confidentiality concerns.
102-41	Collective bargaining agreements	45% of Ingredion's manufacturing plants have collective bargaining agreements in place.		Per our Social Accountability Management System, employees have the right to establish collective bargaining agreements. Our labor practices across our manufacturing operations are audited utilizing 4-pillar Sedex Member Ethical Trade Audits (SMETA).
102-42	Identifying and selecting stakeholders	Ingredion has conducted an internal stakeholder assessment, which examined the overlap between areas most important to our sustainability strategy and our existing stakeholder engagement. We utilize this assessment to inform where we may solicit additional stakeholder input.		
102-43	Approach to stakeholder engagement	We engage with stakeholders in two ways: (1) as a part of regularly scheduled meetings through organizational membership, and (2) on an as-needed or as-requested basis.		Ingredion undertakes stakeholder engagements as a normal course of business, and not solely for the preparation of our annual sustainability report.
102-44	Key topics and concerns raised	The most common topics of discussion from stakeholders between 2016-2017 included social accountability (ethics and human rights), sustainable sourcing (sustainable agriculture), and sustainable water management.		

Reporting Practice

NUMBER	DESCRIPTION	CROSS-REFERENCE/RESPONSE	SDG LINK	ADDITIONAL COMMENTS
102-45	Entities included in the consolidated financial statement	2017 Annual Report		
102-46	Defining report content and topic boundaries	2017 Sustainability Update (pp. 2-4)		Ingredion's Company of Choice for a Sustainable Tomorrow plan was developed based upon stakeholder analysis and materiality assessment. Reporting against our sustainability Focal Areas addresses the key points of these assessments.
102-47	List of material topics	2017 Sustainability Update; CDP Climate Change and Water reports		
102-48	Restatements of information	2017 Sustainability Update (pp. 9, 15)		The Sustainability Update indicates where data has been restated to include entities acquired or locations divested by the corporation.
102-49	Changes in reporting	2017 Sustainability Update (p. 9)		No significant changes in reporting have occurred for 2017, with the exception of the inclusion of new acquisitions into the company safety statistics.
102-50	Reporting period	2017 Sustainability Update		Ingredion provides updates on our efforts on an annual basis.
102-51	Date of most recent cycle	2017 Sustainability Update		Ingredion reports on sustainability on an annual, calendar year basis.
102-52	Reporting cycle	Ingredion's sustainability reports are issued annually and based on calendar year		
102-53	Contact point for questions regarding the report	Inquiries about this GRI Index or Ingredion's sustainability program can be directed to corpcomm@ingredion.com		
102-54	Claims of reporting in accordance with the GRI Standards	Ingredion does not currently make any such reporting claims.		
102-55	GRI content index	This document is the GRI content index		

NUMBER	DESCRIPTION	CROSS-REFERENCE/RESPONSE	SDG LINK	ADDITIONAL COMMENTS
102-56	External assurance	2017 CDP Water; 2017 CDP Climate Change; 2017 Sustainability Update (p. 18)		Data reported in Ingredion's 2017 CDP Water and Climate Change questionnaires are verified by Bureau Veritas. Additionally, volumes covered by Ingredion's sustainable sourcing program are also reviewed and assured by Bureau Veritas.

Management Approach

NUMBER	DESCRIPTION	CROSS-REFERENCE/RESPONSE	SDG LINK	ADDITIONAL COMMENTS
103-1	Explanation of the material topic and its boundaries	2017 Sustainability Update (The content of our report is based on those topics most material to our business.)		Ingredion utilizes the Sustainability Accounting Standards Board (SASB) Materiality Map as an external benchmark to help validate our internal materiality assessment.
103-2	The management approach and its components	2017 Sustainability Update		Ingredion's approach to sustainability, as well as our goals and targets, are covered by our Company of Choice for a Sustainable Tomorrow plan, which has been outlined in our sustainability reports since 2015.
103-3	Evaluation of the management approach	Ingredion has a global Sustainability Council made up of senior leaders within the company. This group meets on a regular basis to assess progress against the company's sustainability strategy. Periodic reports are also made to the Board Governance and Nominating Committee (GNC), which also assesses performance.		

Economic Performance

NUMBER	DESCRIPTION	CROSS-REFERENCE/RESPONSE	SDG LINK	ADDITIONAL COMMENTS
201-1	Direct economic value generated and distributed	2017 Annual Report		

201-2	Financial implications and other risks and opportunities due to climate change	2017 CDP Climate Change	13
201-3	Defined benefit plan obligations and other retirement plans	2017 Annual Report	

Indirect Economic Impact

NUMBER	DESCRIPTION	CROSS-REFERENCE/RESPONSE	SDG LINK	ADDITIONAL COMMENTS
203-1	Infrastructure investments and services supported	Any such investments are made at the local or regional level and are not collected at this time at the corporate level.		
203-2	Significant indirect economic impacts	This information is not currently collected at the corporate level within Ingredion.		

Procurement Practices

NUMBER	DESCRIPTION	CROSS-REFERENCE/RESPONSE	SDG LINK	ADDITIONAL COMMENTS
204-1	Proportion of spending on local suppliers	Ingredion manages this activity at the regional or local level and does not currently have the data to report this at the corporate level.		

Anti-Corruption

NUMBER	DESCRIPTION	CROSS-REFERENCE/RESPONSE	SDG LINK	ADDITIONAL COMMENTS
205-1	Operations assessed for risks related to corruption	As part of our risk management processes, Ingredion continually assesses our operations for risks related to corruption, as well as other activities related to compliance with local laws and/or our policies on business conduct.		

NUMBER	DESCRIPTION	CROSS-REFERENCE/RESPONSE	SDG LINK	ADDITIONAL COMMENTS
205-2	Communication and training about anti-corruption policies and procedures	All employees receive ethics training and sign-off on Ingreion's Policies on Business Conduct.		

Anti-Competitive Behavior

NUMBER	DESCRIPTION	CROSS-REFERENCE/RESPONSE	SDG LINK	ADDITIONAL COMMENTS
206-1	Legal action for anti-competitive behavior, anti-trust, and monopoly practices	There were no legal actions against Ingreion in 2017 for anti-competitive behavior.		

Materials

NUMBER	DESCRIPTION	CROSS-REFERENCE/RESPONSE	SDG LINK	ADDITIONAL COMMENTS
301-2	Recycled input materials used	This information is not currently collected at the corporate level.		The primary raw materials in Ingreion products are agricultural crops, which are not recycled material, but are from renewable sources.
301-3	Reclaimed products and their packaging material	This information is not currently collected at the corporate level within Ingreion.		

Energy

NUMBER	DESCRIPTION	CROSS-REFERENCE/RESPONSE	SDG LINK	ADDITIONAL COMMENTS
302-1	Energy consumption within the organization	2017 CDP Climate Change	13	
302-2	Energy consumption outside the organization	2017 CDP Climate Change	13	

NUMBER	DESCRIPTION	CROSS-REFERENCE/RESPONSE	SDG LINK	ADDITIONAL COMMENTS
302-3	Energy intensity	2017 CDP Climate Change	12, 13	
302-4	Reduction of energy consumption	2017 CDP Climate Change	12, 13	
302-5	Reduction in energy requirements of products and services	2017 CDP Climate Change	12, 13	

Water

NUMBER	DESCRIPTION	CROSS-REFERENCE/RESPONSE	SDG LINK	ADDITIONAL COMMENTS
303-1	Water withdrawal by source	2017 CDP Water	6	
303-2	Water sources significantly impacted by withdrawal of water	2017 CDP Water	6	
303-3	Water recycled and reused	2017 CDP Water	6	

Biodiversity

NUMBER	DESCRIPTION	CROSS-REFERENCE/RESPONSE	SDG LINK	ADDITIONAL COMMENTS
304-1	Operational sites owned, leased, managed in, or adjacent to protected areas and areas of high biodiversity value outside protected areas.	This information is not currently collected at the corporate level within Ingredion.	15	Ingredion has assessed where we operate or source material from biodiversity hotspot areas (see 2017 Sustainability Update, p. 14), however, we have not fully assessed specific areas of high biodiversity value within those hotspots.
304-2	Significant impacts of activities, products, and services on biodiversity	2017 Sustainability Update (p. 14)	15	

NUMBER	DESCRIPTION	CROSS-REFERENCE/RESPONSE	SDG LINK	ADDITIONAL COMMENTS
304-3	Habitats protected or restored	2017 Sustainability Update (p. 14)	15	An example of habitat restoration is provided in our report, however, this is only one such activity. There have been similar activities conducted in other locations over the past few years.
304-4	IUCN Red List species and national conservation list species with habitats in areas impacted by operations	While Ingredion has assessed our operations against the CEPF global biodiversity hotspot list, we have not yet assessed our operations against the IUCN Red List.		

Emissions

NUMBER	DESCRIPTION	CROSS-REFERENCE/RESPONSE	SDG LINK	ADDITIONAL COMMENTS
305-1	Direct (Scope 1) GHG emissions	2017 CDP Climate Change	13	
305-2	Energy indirect (Scope 2) GHG emissions	2017 CDP Climate Change	13	
305-3	Other indirect (Scope 3) GHG emissions	2017 CDP Climate Change	13	Transportation and other Scope 3 activities are managed at the regional or local levels, and not available globally at this time. We have invested in system enhancements which we expect to provide greater visibility to transportation of materials in our supply chain once fully enacted.
305-4	GHG emission intensity	2017 CDP Climate Change	13	
305-5	Reductions of GHG emissions	2017 CDP Climate Change; 2017 Sustainability Update (p. 13)	13	
305-6	Emissions of Ozone Depleting Substances (ODS)	This information is not currently collected at the corporate level within Ingredion.		

Effluents and Waste

NUMBER	DESCRIPTION	CROSS-REFERENCE/RESPONSE	SDG LINK	ADDITIONAL COMMENTS
306-1	Water discharge by quality and destination	2017 CDP Water	6	
306-2	Water by type and disposal method	2017 CDP Water	6	
306-5	Water bodies affected by water discharges and/or runoff	2017 CDP Water	6, 14	Water basins potentially impacted by operations are identified utilizing the WWF Water Risk Filter.

Environmental Compliance

NUMBER	DESCRIPTION	CROSS-REFERENCE/RESPONSE	SDG LINK	ADDITIONAL COMMENTS
307-1	Non-compliance with environmental laws and regulations	Ingredion discloses fines and non-monetary sanctions as required by the laws and regulations applicable to its operations including, among others, SEC reporting requirements.		Ingredion did not have any significant environmental fines (>\$100,000) in 2017.

Supplier Environmental Assessment

NUMBER	DESCRIPTION	CROSS-REFERENCE/RESPONSE	SDG LINK	ADDITIONAL COMMENTS
308-1	New suppliers that were screened using environmental criteria	2017 Sustainability Update (p. 11)		Ingredion currently utilizes Sedex to assess environmental considerations of key suppliers. Additionally, key suppliers have been screened using the WWF Water Risk Filter.

Employment

NUMBER	DESCRIPTION	CROSS-REFERENCE/RESPONSE	SDG LINK	ADDITIONAL COMMENTS
401-2	Benefits provided to full-time employees that are not provided to temporary or part-time employees	Benefits, and their variance between full-time and part-time employees, vary by country and region. These benefits may also be impacted by any collective bargaining agreements that are in place.		Benefits can include items such as paid holidays, health care insurance, bonus compensation, parental leave, educational tuition reimbursement, and other such items.
401-3	Parental leave	Parental leave varies by country and region, and is managed locally in accordance with legal requirements.		

Labor / Management Relations

NUMBER	DESCRIPTION	CROSS-REFERENCE/RESPONSE	SDG LINK	ADDITIONAL COMMENTS
402-1	Minimum notice period regarding operational changes	Notice periods across our operations can vary depending on local legal requirements and collective bargaining agreements.		

Occupational Health and Safety

NUMBER	DESCRIPTION	CROSS-REFERENCE/RESPONSE	SDG LINK	ADDITIONAL COMMENTS
403-1	Workers representation in formal joint management-worker health and safety committees	All Ingredion manufacturing facilities have health and safety committees made up of workers and members of the local management team. The exact make-up of these teams may differ by location and be dictated by local law and/or collective bargaining agreement.		
403-2	Types of injuries and rates of injury, occupational disease, lost days and absenteeism, and the number of work-related fatalities	2017 Sustainability Update (p. 9-10)		The company reports Total Recordable Incidence Rates for employees and contractors. While information on occupational disease, lost days, and work-related fatalities are collected, these are not reported publicly at this time.

NUMBER	DESCRIPTION	CROSS-REFERENCE/RESPONSE	SDG LINK	ADDITIONAL COMMENTS
403-3	Workers with high incidence or high risk of disease related to their occupation	Ingredion has identified no such high-risk groups within the organization.	3	Ingredion tracks work-related injuries and illnesses on an on-going basis, and this data is regularly assessed for trends so that mitigation actions can be taken.
403-4	Health and safety topics covered in formal agreements with trade unions	A variety of health and safety topics may be covered in formal agreements with various trade unions across our global operations.	3	Ingredion has an internal Environmental, Health and Safety Management System which covers our global operations and sets minimum standards of practice. This management system is aligned with ISO 14001 and OHSAS 18001 criteria.

Training and Education

NUMBER	DESCRIPTION	CROSS-REFERENCE/RESPONSE	SDG LINK	ADDITIONAL COMMENTS
404-1	Average hours of training per employee	2017 Sustainability Update (p. 10)	3	Environmental, Health, and Safety (EHS) training is tracked at the corporate level, as is training such as Lean Six Sigma (LSS). However, there may be additional training at the local or regional level that is not reported at the corporate level.
404-2	Programs for upgrading employees' skills and transition assistance programs	2017 Sustainability Update (pp. 15-16)		Ingredion tracks some training activities globally, such as employees trained in Lean Six Sigma (LSS). Many additional skills-based training activities are coordinated at the local or regional level and are not reported at the corporate level.

Diversity and Equal Opportunity

NUMBER	DESCRIPTION	CROSS-REFERENCE/RESPONSE	SDG LINK	ADDITIONAL COMMENTS
405-1	Diversity of governance bodies and employees	2017 Sustainability Update (p. 7-8)	5	

Freedom of Association and Collective Bargaining

NUMBER	DESCRIPTION	CROSS-REFERENCE / RESPONSE	SDG LINK	ADDITIONAL COMMENTS
407-1	Operations and suppliers in which the right to freedom of association and collective bargaining may be at risk.	2017 Sustainability Update (pp. 11-12)	8	Ingredion assesses our manufacturing operations with third-party Sedex Member Ethical Trade Audits (SMETA), which include interviews of employees around a variety of human rights considerations. To date, no issues have been identified where collective bargaining rights are at risk. Ingredion is in the process of working with key suppliers to promote and encourage SMETA audits of their operations as well.

Child Labor

NUMBER	DESCRIPTION	CROSS-REFERENCE / RESPONSE	SDG LINK	ADDITIONAL COMMENTS
408-1	Operations and suppliers at significant risk for child labor	2017 Sustainability Update (pp. 11-12, 17-18)	8	Ingredion utilizes Sedex/SMETA to assess key suppliers, and the SAI Platform as our global benchmark in assessing our agricultural suppliers.

Forced or Compulsory Labor

NUMBER	DESCRIPTION	CROSS-REFERENCE / RESPONSE	SDG LINK	ADDITIONAL COMMENTS
409-1	Operations and suppliers at significant risk for forced or compulsory labor.	2017 Sustainability Update (pp. 11-12, 17-18)	8	Ingredion utilizes Sedex/SMETA to assess key suppliers, and the SAI Platform as our global benchmark in assessing our agricultural suppliers.

Security Practices

NUMBER	DESCRIPTION	CROSS-REFERENCE / RESPONSE	SDG LINK	ADDITIONAL COMMENTS
410-1	Security personnel trained in human rights policies or procedures	This information is not currently tracked at the corporate level.		Training activity is currently managed at a local or regional level within Ingredion, and therefore training information is not available at the corporate level at this time.

Rights of Indigenous People

NUMBER	DESCRIPTION	CROSS-REFERENCE / RESPONSE	SDG LINK	ADDITIONAL COMMENTS
411-1	Incidents of violations involving rights of indigenous people	Ingredion is not aware of any issues or violations in our operations involving the rights of indigenous people.	16	Ingredion's internal Social Accountability Management System addresses the rights of indigenous people, as well as processes for obtaining Free, Prior and Informed Consent (FPIC). We utilize external tools such as the LandMark Map to help identify geographic areas where considerations involving indigenous peoples may exist.

Human Rights Assessment

NUMBER	DESCRIPTION	CROSS-REFERENCE / RESPONSE	SDG LINK	ADDITIONAL COMMENTS
412-1	Operations that have been subject to human rights reviews or impact assessments	2017 Sustainability Update (pp. 11-12, 17-18)		Ingredion manufacturing sites are assessed using third party Sedex Member Ethical Trade Audits (SMETA).
412-2	Employee training on human rights policies or procedures	Ingredion is in the process of implementing an internal Social Accountability Management System, which will also include training on this subject.		Training activity is currently managed at a local or regional level within Ingredion, and therefore training information is not available at the corporate level at this time.

NUMBER	DESCRIPTION	CROSS-REFERENCE / RESPONSE	SDG LINK	ADDITIONAL COMMENTS
412-3	Significant investment agreements and contracts that include human rights clauses or that underwent human rights screening	These agreements or contracts may be managed at the local, regional, or corporate level. This information is not currently tracked at the corporate level.		

Local Communities

NUMBER	DESCRIPTION	CROSS-REFERENCE / RESPONSE	SDG LINK	ADDITIONAL COMMENTS
413-1	Operations with local community engagement, impact assessments, and development programs	2017 Sustainability Update (pp. 21-22)		Ingredion does not have a centrally coordinated local impact assessment process at this time.

Supplier Social Assessment

NUMBER	DESCRIPTION	CROSS-REFERENCE / RESPONSE	SDG LINK	ADDITIONAL COMMENTS
414-1	New suppliers that were screened using social criteria	2017 Sustainability Update (pp. 11-12)		Ingredion has a program to assess key suppliers through Sedex, SMETA, or similar programs. 13% of key suppliers were new engagements in 2017.

Marketing and Labeling

NUMBER	DESCRIPTION	CROSS-REFERENCE / RESPONSE	SDG LINK	ADDITIONAL COMMENTS
417-3	Incidents of non-compliance concerning marketing communication	No incidents of marketing non-compliance were identified in 2017.		

Customer Privacy

NUMBER	DESCRIPTION	CROSS-REFERENCE / RESPONSE	SDG LINK	ADDITIONAL COMMENTS
418-1	Substantiated complaints concerning breaches of customer privacy and losses of customer data	Ingredion had no such complaints made by our customers.
